About us

Wepower Electronic (KD Instrument) is located in the beautiful coastal city of Yantai , we are engaged in production, marketing , technical support, R&D of automatic instruments since the year 2003 .Our company has technical team ,can provide after-sales service and support to customers .

Our products are widely used in, thermal power, electric power, pharmaceutical, food, environmental protection, petroleum, chemical, metallurgy, refrigeration and other industries.

We take "customer satisfaction is our pursuit" as our goal, and "people-oriented, scientific and technological development" as our guidance, to provide products, technologies and services for our value customers .As one subsidiary corporation of Wepower Group ,We are willing to work together with the customers all over the world !

Temperature -RTD Sensor & Thermocouple Sensor

Our Main Products

- 1. Temperature:** Thermal resistance(RTD), thermocouple, temperature transmitter, bimetal thermometer, digital thermometer ,related accessories
- 2. Level :** 26G/80G Radar level meter; magnetic level indicator ,vibration fork level switch ,ruler cable level meter ,magnetostrictive level meter,submersible level sensor, RF level switch ,float ball level sensor, rotary level switch;
- 3. Pressure :** Pressure transmitter ,diaphragm pressure transmitter ,pressure sensor
- 4. Density :** Tuning Fork online density meter, micro motion density meter
- 5. Flow :** Electromagnetic flow meters ,oval gear flow meter etc, vortex flow meter, open channel flow meter ,ultrasonic flow meter ;OGM flow meter
- 6. Agent Brand :** Rosemount ,E+H ,Siemens

Quality First

Pressure- D/P Transmitter & Pressure Level Transmitter & Pressure Sensor

Level- 26G/80G Radar Level Transmitter, Guided Wave Radar Level Transmitter

Heart Service

Level -Magnetic level Indicator & Cable Ruler Level Meter

Level- Float Ball Level Sensor & Magnetostrictive level Meter

Level-Vibration Level Switch (compact model or aluminum housing)

Quality First

Heart Service

Level -Submersible Liquid Level Sensor & Ultrasonic Level Sensor

Level- RF Admittance Level Switch & Rotary Level Switch

Density Meter -Tuning Fork Densitometer (Mirco Motion Density Meter)

Flow Meter - Electromagnetic Flow Meter

Flow Meter - Oval Gear Flow Meter &Micro Oval Gear Flow Meter

Flow Meter -Vortex Flow Meter For Gas /Steam /Compressed Air

Quality First

Heart Service

Flow Meter -Turbine Flow Meter,Ultrasonic Flow Meter

Agent Brand - Rosemount /E+H/SIMENS

Application Fields

Yantai Wepower Electronic (KD Instrument)
